Summer riding camps 2023

Our club offers a chance to experience being in the country and at the same time being just next door to the city of Florence.

Our formula for the riding weeks has become over the years a combination of serious equitation and games for children and young adults, learning and playing.

The camps start up in the second half of June and run until the end of July.

The advantage of being outdoors is definitely a help in keeping infections at bay.

There is also the possibility of Stages for specialization and special summer packages for just riding.

Our weeks start on Monday at 9.00 am and run until 6:30pm. Saturday is a half day. We offer during each week:

- Morning and afternoon riding sessions conducted by licensed Federal instructors (FISE)
- Working around the horses in the stables , learning how to clean, care and feed as well as tacking up etc.
- Theory lessons according to the age and level of our students.
- Possibility of English lessons-speaking and conversations with the help of expert assistance.
- Outdoor walks-games-gardening.
- Creative activity (drawing painting etc.)
